

Prabhu M P

Software Developer | UI & UX Designer

ABOUT ME

Myself, Prabhu M P currently pursuing *B.E Computer Science*. I seek challenging and rewarding opportunities in the field of computer science where I can utilize my skills and knowledge to make a positive impact. I'm passionate about Software Development and I have expertise in creative thinking, leadership, communication and time management.

EXPERIENCE

Tectra Technologies, Freelance Designer NOV 2023 - JAN 2024

Worked as a freelance Front-End Developer & UI/UX Designer and have done projects for the company with knowledge of designing (Adobe Illustrator & Figma) and Front end development tools like HTML, CSS and JS

PROJECTS

WoolFur, SmartIndia Hackathon DEC 2023

Worked as a UI/UX Designer, In this project I used design tools like Adobe Illustrator and Figma for the user interface and icons. I have created a graphic design (Logo) for the project.

BankWeb, Web Development NOV 2023 - JAN 2024

Learned the concepts of JavaScript and made a complete project for a fictional Bank for the transactions, implemented some concepts like manipulation, methods and intermediate JS concepts with clean code.

OmniFood, Front-End Development JAN 2024

Learned the concepts of Front-end and made a complete project for a fictional company Omnifood, implemented some concepts like Grid and Flexbox for the layout and designed based on respective personalities.

Other Projects, Front-end Development & Game development

Done Projects in front-end development and game development like game mechanisms - FPS, TPS mechanism, Terrain tools, Ragdoll and other 2D and 3D mini-games.

Project Titles: Rocket Control, Space Smash, Endless Runner, Chair E-commerce, Dice-Game(Web), WorkoutMap.

DOB: 09-11-2004
